## Sports Catalytic Converter (150 Cell)

"A sports catalytic converter that contributes to environmental conservation is, in a sense, another essential license for the sports driver."

### Overview

- A high-performance, straight-through design that prioritizes exhaust efficiency, featuring a fine 150-cell metal substrate.
- Constructed from high-quality SUS304 stainless steel for superior corrosion resistance and durability.
- Equipped with a dedicated heat shield on specific models to minimize thermal impact on the chassis.
- Includes an official "Exhaust Gas Test Results Certificate."

### ⚠ IMPORTANT: **For Racing Use Only**

- If used in competitive events, please confirm with the organizers before use.
- **DO NOT** use this product on public roads under any circumstances.

### Required Documentation & Re-issuance

- A copy of your Vehicle Inspection Certificate (Shakensho) is required for purchase.
- To re-issue an "Exhaust Gas Test Results Certificate," the following are required:
  1. Copy of the Vehicle Inspection Certificate.
  2. Photo of the entire catalytic converter unit.
  3. Photo of the product identification plate on the unit.

Note: Re-issuance is only available to the original purchaser. We do not provide this service for second-hand or used products.

Re-issuance Fee: ¥2,750 (Tax included)
