100 Update: The sizing and balance of Stage 100 have been updated as of September 2023.

As the fit differs from previous versions, we strongly recommend trying on the suit before purchase.

Stage 200 & 300 Models: These models feature knit material at the armholes and waist, resulting in different finished dimensions compared to the Stage 100 new size chart.

Sizing Disclaimer: This size chart is for reference purposes only.

Fit may vary depending on body type, physique, and personal preference.

We strongly recommend fitting before purchase.

Measurement Method: All measurements are outer dimensions taken with the garment laid flat.

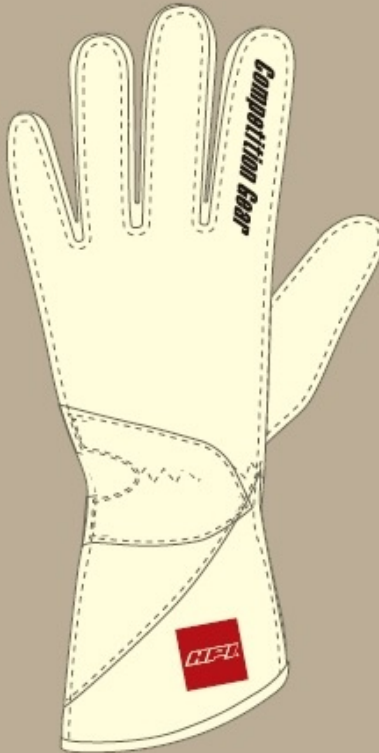

Please allow for a 1-2 cm tolerance in finished dimensions.
